Direct Cremation – F.A.Q.s

1. **Can I pay my last respects in person?** - Yes.
2. **Can I attend the crematorium?** - No. There will be no service of any kind or attendance allowed by the crematorium.
3. **My relative has passed away at home/in a nursing home, can you help?** - Yes.
4. **Can I collect the ashes?** - Yes. They can be collected from us within 3 working days of the cremation.
5. **What else can I do with the ashes?** - They can be scattered or buried at a location of your choice, stored in an urn or keepsake from our extensive range of memorial jewellery.
6. **Is this a communal cremation?** - Absolutely not. In the UK each person is cremated individually.
7. **Do you re-use the coffin?** - Absolutely not. UK crematoriums only accept people for cremation if they are in a suitable coffin & it cannot be opened once it has been received by the crematorium staff.
8. **Why is this so cheap?** - An unattended funeral is far simpler for us, and the crematorium to arrange, as such we can offer Direct Cremation at a substantially lower cost than an Attended Funeral Service.
9. **What kind of coffin do you provide?** - We include a traditionally shaped coffin made from MDF covered with a wood grain effect veneer.
