

Funeral Plan Options and Prices

We offer competitively priced options to suit any budget. From bespoke, traditional services to direct cremation. **Please ask** for a full itemised description of each option including any relevant disbursements. **These prices guarantee to cover ALL third-party costs (disbursements) required for CREMATION.** Bespoke plans for burial are available on request.

Bespoke Funeral Plan *from* £4,033

This service offers complete freedom of choice & control over every aspect of the funeral.

Simple Funeral Plan £3,438

A simple funeral.

Including provision of a simple coffin, a hearse and all necessary staff to meet at the place of committal.

Funeral in our chapel Plan £2,638

A simple funeral with a service held in our own chapel.

Including provision of a simple coffin, a hearse and all necessary staff to go directly to a local crematorium.

There is no attendance at the crematorium.

Direct Cremation Plan £1,644

Cremation with no funeral service.

Including provision of a simple veneer effect coffin & all necessary staff for transportation of the coffin from our premises to a local crematorium on a day and at a time of our choosing.

We are unique in being able to offer the facility for visits in our state-of-the-art chapel of rest as part of our Direct Cremation service.

As a member of the **National Society of Allied and Independent Funeral Directors (SAIF)** we are delighted to be able to offer all our clients free access to the bereavement support service **SAIF Care**.
freephone: **0800 917 7224** email: help@saifcare.org.uk

We are aware of all other local service providers' charges and are confident that we represent the very best value, when factoring in all the professional service elements and care provided for your loved one. We advise when comparing costs with other local funeral directors, to ensure that any quotes given are inclusive of **ALL** the service elements you require.
